

## **E-waste Collection Vehicle – Collection Arrangement and Points to Note**

### **1. Inclement Weather Arrangement**

- If typhoon signal no. 1 is hoisted or Amber Rainstorm Warning is issued:
  - The collection service will be continued.
  
- If typhoon signal no. 3 or above is hoisted, or Red or Black Rainstorm Warning is issued:
  - The collection service on the scheduled collection day will be cancelled.
  - If such weather warning is lowered before 2 pm on the event day, the collection service will be resumed within 2 hours after such signal / warning is lowered.
  
- If the Hong Kong Observatory announced that typhoon signal no. 3 (or above) will be shortly hoisted, or Red (or Black) Rainstorm Warning will be shortly issued:
  - Subject to the weather condition, the service will be cancelled.

### **2. Points to Note**

Donor is responsible for the deletion of all confidential and proprietary data, including but not limited to personal data, that are contained on or within the computer and communication products hardware before they were donated to the E-waste Collection Vehicle. Donor acknowledges that E-waste Collection Vehicle will not be, in any way, responsible for confidential and proprietary data that are not deleted from any of the hardware. The used equipment would not be returned to the donor after collection.
