## 服務目的

Aims of the Service

環境保護署（環保署）於2022年中開始分階段於9區（包括大埔、西貢、中西區、東區、深水埗、荃灣、屯門、沙田、觀塘）推行一項名為「綠綠收」的一站式信心回收服務，由「綠在區區」營辦團體及環保署其他可回收物收集服務承辦商（包括塑膠回收先導計劃、玻璃管理承辦商等）為登記使用「綠綠收」服務的屋苑提供一站式服務，收集多種缺乏商業回收出路的可回收物（包括塑膠、玻璃樽、小型電器、慳電膽及光管、充電池及四電一腦等），再交由下游回收商作妥善處理，以協助參與的屋苑為即將落實的都市固體廢物收費做好準備。

The Environmental Protection Department (EPD) has launched by phases a one-stop reliable recycling service called "GREEN COLLECT" for housing estates in 9 districts (namely Tai Po, Sai Kung, Central and Western, Eastern, Sham Shui Po, Tsuen Wan, Tuen Mun, Sha Tin and Kwun Tong) since mid 2022. Operators of GREEN@COMMUNITY and other EPD contractors of various recyclable collection programmes (including Plastic Recycling Pilot Scheme and Glass Management Contractors) provide one-stop collection service for various recyclables (including plastics, glass bottles, small electrical appliances, fluorescent lamps and tubes, rechargeable batteries and regulated electrical equipment) which are lack of commercial recycling outlet, and deliver the collected recyclables to downstream recyclers for proper treatment, with a view to helping the participating housing estates to get prepared for the upcoming implementation of municipal solid waste charging.
