

Green Outreach - A Helping Hand in Recycling

<p>Description of visuals:</p>	<p>Opening shot shows Big Waster and Greeny on the right.</p> <p>Super: GO GREEN OUTREACH</p> <p>Big Waster and Green Outreach member say:</p>
<p>Big Waster and Green Outreach member:</p>	<p>Green Outreach, let's go!</p>
<p>Description of visuals:</p>	<p>The scene switches to a Village Office with two game booths set in front.</p> <p>A Green Outreach member from the EPD standing in front of the booth says:</p>
<p>Green Outreach member:</p>	<p>Our primary role is to liaise with stakeholders in the community, such as property management companies, frontline cleansing workers, residents' organisations and local communities, etc.</p> <p>Through site visits, we support waste separation and recycling in different types of housing estates, single block buildings, "3-nil" buildings and rural villages.</p>
<p>Description of visuals:</p>	<p>Video shows scenes of Green Outreach members communicating with different stakeholders in the community and shots of different residential buildings.</p> <p>Super: GO Help improve the recycling facilities; GO Promote community recycling network</p> <p>A Green Outreach member says:</p>
<p>Green Outreach member:</p>	<p>We provide practical advice and training to help build and improve the recycling facilities in the district, and identify proper outlets for the recyclables.</p> <p>Recently, we are promoting the community recycling network service and the latest waste reduction and recycling programmes, so as to let the residents know the waste reduction and</p>

	recycling facilities nearby.
Description of visuals:	<p>Video shows footages of primary school students playing games at a game booth that is related to waste reduction and recycling and listening to the explanation of a Green Outreach member.</p> <p>Super: GO Education on waste reduction; GO Waste reduction at source, Clean recycling</p> <p>The Green Outreach member says:</p>
Green Outreach member:	<p>Green Outreach will also organise interesting waste reduction and recycling activities in partnership with stakeholders within the district.</p> <p>Through on-site guidance and demonstration in person, the residents can play and learn more about waste reduction at source and clean recycling.</p>
Description of visuals:	<p>The scene switches to a group of Green Outreach members.</p> <p>Super: Waste reduction. Let's GO !</p> <p>They say:</p>
Green Outreach members:	Waste reduction, let's go!
Description of visuals:	Super: Waste reduction. Let's GO !
