回收箱

Recycling Bins

- 回收點應至少配備塑膠、金屬、紙張回收箱（現有或自製回收物收集箱均可）
- 磅
- 長桌供學生記錄回收物重量
- 乾淨回收海報（可於「[回收@校園](#)」專頁下載）
- Must be equipped with at least 1 recycling bin each for plastics, metals, and paper (existing or self-made collection bins are acceptable)
- Balance
- Long Bench for students to record the quantity of recyclables
- Clean recycling posters (can be downloaded from [We-recycle@School website](#))

綠仔值日生工作 Duties of Green Duty Ambassadors

於老師的指導及校工的協助下，「綠仔值日生」應：

1. 設置和裝飾校園回收流動點
2. 向其他學生宣傳正確及乾淨回收的步驟
3. 邀請學生將每類回收物放在磅上逐項秤重，並記錄回收量
4. 確保學生將已秤重回收物放到相應的回收箱內

註：校工可協助清理已滿載的回收箱，並將回收物暫存待進一步處理。如學校邀請「綠在區區」營辦團體設立回收點，職員會清理回收箱並將回收物清走

Under teachers' guidance and janitors' assistance, "Green Duty Ambassadors" should:

1. Set up and decorate Campus Recycling Spot
2. Promote proper and clean recycling steps to fellow students
3. Invite students to put each type of recyclable on the balance and record their weight
4. Ensure students to put weighed recyclables into respective recycling bins

Remarks: Janitors may assist in clearing full recycling bins and temporarily storing the recyclables for further processing. If the school invited a GREEN@COMMUNITY operator to set up a Recycling Spot, the staff will clear the recycling bins and remove the recyclables
